# PART-II

(14)د لانديني وركړي شوي انګرېزي عبارت په معياري پښتو کښي ترجمه اوکړئ -سوال نمبر 2: (a) These observations aside, RuhiMataloona is still the most complete, the most accessible, and the most well-known of all collections of Pashto proverbs. The collection is complete in the sense that it has incorporated most of the previous smaller collections produced by foreign and local researchers. The author acknowledges at least nine such earlier collections from which he has benefited because of these multiple qualities, this compilation is one of the most recommended one for those interested in the study of Pashto proverbs.
